# LIBRARY E-RESOURCES

## OLIVER CATALOGUE

Oliver is our library catalogue. It provides access to the print and e-resources provided by your school. It is accessible from your school website.

## SORA EBOOKS

Sora provides e-books, audiobooks and read-along books for students. Sora can be accessed online or via the Sora app.

## E-PLATFORM BY WHEELERS

E-Platform provides access to ebooks and audiobooks. Wheeler's ebooks can be accessed through the library catalogue.

## BRITANNICA

Britannica provides quality information on a huge range of topics and includes videos, images, articles and audio files. It has separate primary, middle and secondary portals.

## LEARNPATH

LearnPath is a platform that enables teachers to provide a range of curated resources to students, selected for each unit of work. It's accessible through the library catalogue.

## CLICKVIEW

Clickview is a video library for films and TV shows, as well as clips made by teachers and students. Interactives such as formative quizzes can be added to videos.
