

# COVID-19 and Flu

## Staying safe at school

Good habits that protect you from COVID-19 can keep you safe from catching other cold and flu viruses too.

### Keep these habits up all the time:

Wash your hands

Cover your cough

Let fresh air in

Wear a mask on public transport

Stay up to date with your COVID-19 and flu vaccinations

### Stay home from school if you have any of these symptoms:

Sore throat with or without runny nose

Fever

Cough

Diarrhoea

Loss of taste

Trouble breathing

Vomiting or feeling ill

Loss of smell

Feeling more tired than normal
