

Next Step

2026 Year 12 completers survey

Post-school destinations of Year 12 completers from 2025

MacKillop Catholic College (Mount Peter)

DELIVERING FOR QUEENSLAND | Queensland Government

Introduction

This detailed Next Step report belongs to your school and can be used for school planning. It provides information about Year 12 completers' transitions into further education, training and employment approximately six months after completing school.

The results are from the Department of Education's Next Step – Year 12 Completers survey, which attempts to contact all Year 12 completers from state, Catholic or independent schools in Queensland.

Post-school destinations are influenced by the transitioning environment, which can limit the options available to young people. Low response rates may not give an accurate summary of the cohort's destinations.

This report has not been publicly released. It is recommended that schools **do not** publicly release their detailed Next Step report as it may contain sensitive information. A one-page summary report has also been provided, which is suitable for public release.

Survey response rate

67.6% (**48** out of **71** Year 12 completers)

Results may not be representative of all Year 12 completers from this school.

School's response rate compared with SA4 region and state

Post-school engagement

Year 12 completers from MacKillop Catholic College (Mount Peter) have been categorised by their engagement in education, employment or training. Survey respondents who are both working and studying are included in education and training. Apprentices and trainees are required to undertake a study component to their qualification so are also considered to be in education and training.

Engagement in education, employment or training

83.3% engaged in education, employment or training

62.5%
in education or training

Of the 48 respondents, 62.5% continued in education or training. The most common study destination was bachelor degree.

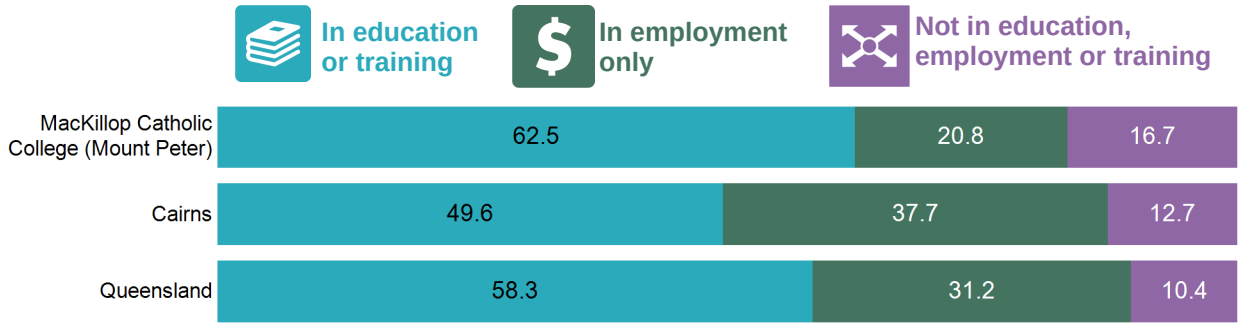

20.8%
in employment only

A further 20.8% transitioned directly into paid employment only.

16.7% not in education, employment or training

There were 16.7% of respondents seeking work.

How does your school compare?

Main destination

This section examines the post-school destinations of survey respondents from MacKillop Catholic College (Mount Peter) in 2026.

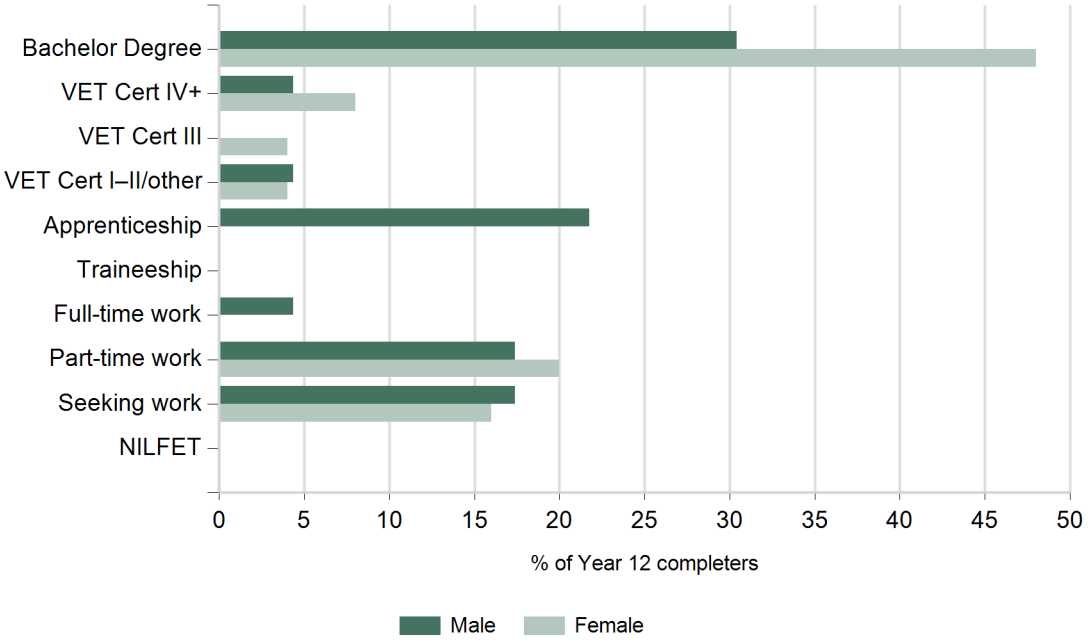

All Year 12 completers were assigned to a main destination. This categorisation system prioritises education-related destinations over other destinations. For example, Year 12 completers who were both studying and working are reported as studying for their main destination (see Appendix 2).

4.2% of respondents deferred a tertiary offer and are reported in their current post-school destination in this report.
